

We are extremely delighted and honoured to receive this recognition from Superbrands India. This victory is especially sweet, as it is our first Superbrands win in India, after four years of winning the same in UAE."

TS Kalyanaraman
Chairman & Managing Director, Kalyan Jewellers

Many in the industry understand the importance of a GIA credential and the recognition and credibility it adds to their careers and businesses.

Nirupa Bhatt
Managing Director, GIA India and Middle East

While hallmarking is going to ensure that people get 22 karat gold, it would mean that the cost is going to go up for those who are not complying at this point in time and therefore, the only way they can make margins is by increasing the making charges. We don't need to do anything and therefore, the competitor advantage, I don't think goes.

S Subramaniam
CFO, Titan Company

"We at Forevermark are delighted to see such a wonderful representation of Indian designs and the capabilities of our partner retailers being recognized on an international level. It would be wonderful to see women of substance adorn Forevermark diamonds while they are being celebrated for their incredible work."

Sachin Jain
President, Forevermark

"Natural diamonds have the unique ability to transcend generations and still remain relevant, making them the perfect epitome of slow fashion. At DPA our constant endeavor is to offer natural diamonds a platform to shine and we are very happy to see the industry's response and support for The Real Cut Season 3."

Richa Singh
Managing Director - India, Diamond Producers Association (DPA)

Amid the coronavirus outbreak, exports will be down 30-35% in the next two months. Our offices in Hong Kong and China are closed temporarily. Most staffs have returned to India."
